To all Staff,

Provincial General Hospital

Badulla.

**RE: ALLOCATION OF THEATER, CLINIC AND WARD FACILITY TO PLASTIC SURGICAL UNIT**

As discussed in the previous surgical meetings and with the available resources I am allocating following facilities to the Plastic Surgical unit to function smoothly from here on ward.

1. Ward Arrangement – Patient Admission

**Female 3 beds** from GU female side

**Males 3 beds** from GU male side

2. Clinic – ENT Clinic complex

Wednesday 2.00pm to 4.00pm

3. Theater time – OT- A

Wednesday 8.00am to 2.00pm (A4)

Please be good enough to provide these facilities from above units till the permanent facility available. \*Plastic Surgery services will be open to PGH Badulla only in this month and Provincial Services will start from November 1<sup>st</sup> onward.

Your fullest support in this regards highly appreciated

Thank you,
